Newberg Community Shelter Turns 3!

In March, 2009, the Newberg Community Shelter opened to serve the women and children in the Newberg area. Since that time, 106 individual guests have been served, 5,196 beds have been filled, and 225 volunteers are involved each month. Instead of buying motel vouchers (which costs at least \$60 each) to fill this

need, the shelter can provide a roof over each head for only \$12.50 per person. Over the last three years, the Newberg Community Shelter has saved the community \$246,810!
