Ministry of the Month: Non-Food Pantry

The Non-Food Pantry hosted at Northside Community Church has generously collected and donated thousands of items such as: toilet paper, feminine products, cleaning supplies, garbage bags, etc. These products are supplied to cover any necessities that food stamps are not able to obtain. If you have extra supplies please send them to Northside at 1800 N Hoskins in Newberg or call 503-538-0440.

Let's Make a Resolution to Give Relationally!

Your time makes a difference:

- A listening ear
- A ride to the grocery store
- A night in the shelter
- You get the idea!
