

Gifts THAT KEEP ON Giving

To prevent duplication with other services in the community, Love INC started the "Giving Tree" idea to provide you with an easy and fun way to give this Christmas!

shaina@loveincnewberg.org

HOW DOES IT WORK?

Print ornaments on colored paper using our template

Attach each need to the ornament

Hang on your tree

Family members or co-workers will select the gifts they want to give by taking the ornament with the need on it

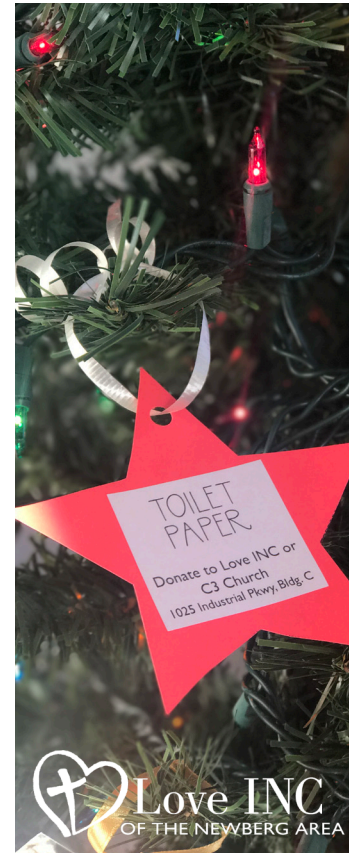

Drop off donations to site (we will be accepting donations through the end of January)

WE HAVE TEMPLATES!
